Multifoil-Rotor for PressureScreen
MultiScreen MSS12/10

Product

Material number:	4053095_MG1
Year of manufact.:	2019
Condition:	refurbished, functional

Technical data

Type:	MF
Process step:	Screening
Machine standard:	metric

Equipment /description

Multifoilrotor in good condition for MSS12/10 or Fractor MSF12/10
