

# Slushing impeller for LC Pulper ST3C-A and ST4C-A

## Product

Material number:	MG-0311
Year of manufact.:	2009
Condition:	overhauled, as new

## Technical data

Type:	ST3C / ST4C-A
Process step:	Pulping
Machine standard:	metric

## Equipment /description

Low consistency pulper rotor for STxC-A for recycled fiber.

The rotor in as good as new condition, on stock.
